Dear Horseman,

Happy New Year. The Aiken Training track is hosting their 83rd running of the Aiken Trials on Saturday, March 14, 2026, the first leg of the historic Aiken Triple Crown followed by the Spring Steeplechase and Pacers and Polo. We hope you will join us for a day of fun-filled races.

This year we are offering cash awards for all thoroughbred races in the amount of $2500 per trial race. As in the past, we will have a race each for two year old fillies and two year old colts/geldings. Maidens, three year olds and up will be split into colts/geldings and fillies and mares if entries are sufficient. We would love to card a "winners" race as our feature so please let us know if you have any winners you would like to bring. All races will be drawn on Monday, March 9.

We will have stalls available if you would like to come the day before the trials.

Please join us in helping to ensure the continuation of one of the oldest traditions in the equestrian history of Aiken.

Please contact me for more information and consider joining us this Spring.

Sincerely,

Suzy Haslup
Aiken Trials Committee
